Hello Janice and John,

We are forwarding two examples of AE packages, from EPA Region 8. One is attached, the other is a link (below) to the EPA Region 8 website for the entire package, including the State's submittal, and EPA's decision document.

Sincerely,

Michele Dermer

Hi Rob,

It was suggested to me that an even better example of an aquifer exemption request submitted to Region 8 is available through the link below. In any event, I think both examples help to show that a more narrowly focused application/request is the goal. If you are around next week, let's plan to have a brief conversation to follow up on our meeting and the two examples we sent in case any additional questions arise.

Have a good weekend.

David
